Scoring Surf-Slalom Discipline

When Surf Slalom is run using an elimination system, competitors will score points based on the following principle. Competitors in the final shall score their finishing position (0.7 for 1st place). Competitors in a small final shall score their finishing position plus the number of competitors in the final. Competitors in previous heats shall score the average of the positions covered by all sailors who finished in the same position in the other heats in that round of the elimination.

(i) in a ten men single 40 elimination.

Finishing Position	Points
FINAL	
1st, 2nd, 3rd, 4th, 5th, 6th, 7th, 8th, 9th and 10th	0.7, 2, 3, 4, 5, 6, 7, 8, 9, 10

Scoring of Incomplete Heats

Where the minimum number of heats for a valid race/elimination series has been completed but not all places determined, competitors qualified for heats which have not been run shall be awarded the total of the points for all the positions not decided, divided by the number of competitors in the remaining heats.

An elimination needs to be completed including the finals to be scored for the event ranking.

If the first elimination is completed including until the semi-finals it will count as a valid race for the event ranking.

All riders that qualified for the final which is incomplete will get rewarded the average points from positions 1st to 10th, and all the riders that qualify to the small finals which are incomplete will get the average points from 11th till 20th.

Number of Eliminations and discards

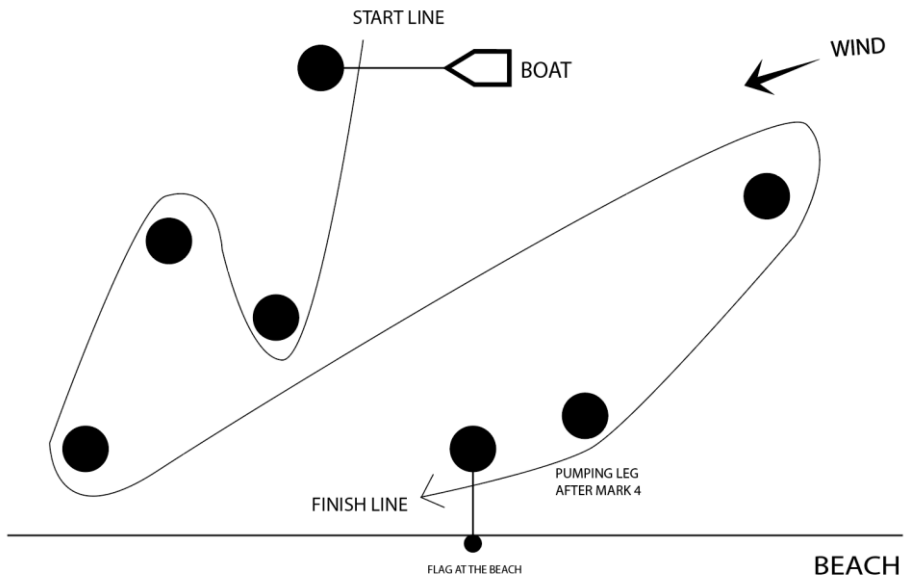

Depending upon the number of discards permitted, the highest, then second highest and third highest scores are discarded. The lowest total score, with discards, if any, taken into account, wins. Scores may be discarded as set out in the following table.

Nº OF RACE / ELIMINATIONS	DISCARDS
1 to 3	0
4 to 6	1
7 to 9	2
10 ore more	3
